Why Choose Sterling Pacific?

PRODUCT QUALITY

With nearly 40 years experience, expect the very best in product consistency, portion controls, taste, color, custom flavor profiles, value added flavor profiles and more. We customize to your needs and within your budget with quality and value you can trust.

FOOD SAFETY

Food Safety is paramount. We monitor safety at every stage, including in-coming raw materials, in-process products, and finished products. State of the art investment in stringent food handling and our own in-house laboratory and pathogen testing ensures the utmost in food safety.

ON-TIME DELIVERY

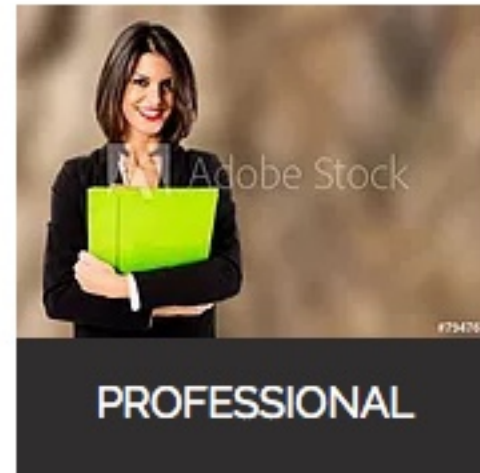

Full service, nationwide on-time delivery. Our in-house truck fleet serves Southern California with daily deliveries, we also ship daily to Nevada and Arizona, and serve customers nationwide with our extensive logistics and distribution network. Let us find the right logistics solution for your needs..

GLOBAL LEADERS IN PROTEIN PROVISION TO BUSINESS CUSTOMERS

JOIN OUR TEAM
